Dear All VYC Track and Field Athletes, Families and Coaches,

Welcome to the 2008 Track and Field Individual Event Championships.

After this event, another season will wrap up. As we look out today over the view of the ocean and sail boats as a spectator or participant running at Santa Barbara City College, we need to remember how we got here. The Valley Youth Conference has been around for 42 years, devoting itself to youth and endeavoring to provide a healthy and safe environment for our youth to develop in athletics and citizenship. This year, your Track and Field program had over 2,600 athletes participating in over 35,000 events.

We started the season with a belief that each athlete's fun and personal improvement are the central goal and motivation. This belief has been well rewarded by the athletes' smiles and their development and performances over the season. We culminate the season with our Championships!

I continue to believe that this is the largest (and best run) stand-alone track and field conference in the world. It takes a great deal of devotion, time and effort by many people, including all athletes, coaches, parents, and administrators, to make it function successfully. Despite being a total volunteer organization, our track and field clubs employ the most sophisticated technology in existence in our meet management and timing systems and run multiple concurrent track meets at several locations on a weekly basis. Although the conference has many challenges, our volunteers work diligently together to solve the myriad of issues that confront our organization. My appreciation and thanks go out to the hundreds of people involved for the many hours they put in.

Although this event is our final championship event, competition for some of our athletes does not stop. A milestone was reached some years ago when the conference unified a post-season team called the Valley United Striders, consisting of athletes from all of our clubs, to run after our regular season. This achievement makes it possible to have the strongest post season team in the country. Over the years, our post season athletes and teams, both track and cross country, have had much success in the USATF and AAU Junior Olympic programs.

It is our hope that we are building a foundation for each athlete to continue in this and other sports. Part of that foundation is attempting to make our program better for now and the future. We are always open to new ideas in order to accomplish this task. This year we initiated two scholarships for past participants graduating from high school. New initiatives are in progress, including improving our website, marketing our conference and teams, fundraising in order to keep costs as low as possible. You are invited to please step forward and add your voice to help our program.

Today, we recognize and applaud the achievements of the many athletes that have made it through the long meets and hard practices. I hope everyone has enjoyed the past season, has a great day today and to see you next year.

Don Barton
Commissioner, VYC Track and Field

Valley United Post Season Track and Field

The Valley United Striders is All-Star team made up of our top athletes from the entire Track & Field Roster. We compete in National Meets during Post Season in the summer. We have been very successful in the past bringing home countless medals. We are very well known and highly respected throughout the nation.

Last summer of, we took approximately 70 athletes through Post Season Competition, starting with the Association meet and completing at the Junior Olympics. We had many National Champions!

We are now embarking on a new season and plan to continue to perform at the level we have in the past. For questions or if you're interested in getting involved, please contact your coach, club representative, Gerald Hood or Erika McIntosh or check website at <http://www.valleyunitedstriders.com/>.

Cross Country Update

The Valley Conference will again offer a Cross Country season for all youth this fall. Most clubs will field teams for ages 6 thru 15. We will also offer Valley United Strider postseason National Competition! Our teams have always been very successful and are well respected across the country.

Congratulations to all athletes who represented the Valley Striders so well at these prestigious meets! Anyone who is interested in participating in this fall's Valley Conference Cross Country program should contact their coach, their club representative, or check-out the Conference Cross Country Website at <http://www.valleyconference.org>.

CONGRATULATIONS

The following athletes have been with the Valley Youth Conference for four (4) years or more and will be graduating from our program this year. Please let us wish each of them great success in their future endeavors, both academically and athletically.
